

ENDURAPANEL®

Premium slat panel system for walls and ceilings

Product Description

Endurapanel is a pre-finished plywood panel system that showcases Araucaria in slat form with striking black negative detail. The unique protective coating makes Endurapanel the perfect feature lining for semi-exposed areas such as balcony and alfresco ceilings and soffits. Endurapanel also makes an excellent internal feature wall or ceiling. Available in a range of colours, Endurapanel is backed by a 7 year coating warranty. Acoustic options are also available.
