AUSTRAL iHoop

Pre-finished plywood panel for interior walls and ceilings

Product Description

iHoop is a pre-finished plywood panel designed for internal wall and ceiling linings. Cost effective and ready to install, iHoop's superb factory finish is a clear coat that highlights the beautiful grain of Araucaria (hoop pine). Supplied with an "A" grade face veneer, iHoop features a clear glue line that enhances the natural colours of Araucaria. iHoop is backed by a 7 year coating warranty with acoustic options also available.
